Subject: Monthly update

I will be glad to provide you with the monthly update as required by the EPA for the Falcon Refinery. I will also make available all past reports and documents. I would appreciate an acknowledgment that Lazarus will pay NORCO's past invoices or let me know that NORCO was wrong to inform me that Lazarus was responsible for the invoices.

which may be a computer program. This attached computer program could
contain a computer virus which could cause harm to EPA's computers,
network, and data. The attachment has been deleted.

This was done to limit the distribution of computer viruses introduced
into the EPA network. EPA is deleting all computer program attachments
sent from the Internet into the agency via Email.

If the message sender is known and the attachment was legitimate, you
should contact the sender and request that they rename the file name
extension and resend the Email with the renamed attachment. After
receiving the revised Email, containing the renamed attachment, you can
rename the file extension to its correct name.

For further information, please contact the EPA Call Center at
(866) 411-4EPA (4372). The TDD number is (866) 489-4900.
